

Franklin County Health Department

The Franklin County Health Department is accepting applications for a **FT Technical Consultant - Harm Reduction/Syringe Exchange Program**

General Duties include: This position serves under limited direction of the Nurse Supervisor. Responsibilities for this position include but are not limited to: serve as a primary expert, consultant and liaison at the county level on administrative matters for community partners to include agency, state, local and federal standards, regulations and documentation requirements for the Harm Reduction/Syringe Exchange Program. Develop, provide or assist with educational counseling and teaching activities for program clients and community partners. Provide or assist the agency in obtaining materials, supplies, equipment, or additional training resources that would be needed to comply with assigned area rules and guidelines, which may include Naloxone distribution, social services referrals, treatment center referrals, infectious disease testing, etc. Provide Harm Reduction/Syringe Exchange services to program clients during established program hours. Conduct evaluations of clients and program to provide quality improvement of service delivery as well as quantity of service requirements. Develop, evaluate, and provide assistance or guidance in establishing policies or procedures; these may include preparation of local or state required reports or grants as requested or required within Harm Reduction/Syringe Exchange Program. Act as liaison between the agency, state and community partners to maintain and provide guidance and assistance. On a limited basis, may provide oversight or assistance to other Harm Reduction/Syringe Exchange partners and employees.

Minimum Education, Training or Experience: Associate degree in Public Health, Community Health, Business, Public Administration or Health-related field and two (2) years of Public/Community Health or professional coordination/management experience in a health-related organization.

Substitution for Education, Training or Experience: Bachelor's in Health-related or Business Administration field may substitute for one (1) year required experience. Master's Degree in Health-related or Business Administration field may substitute for the two (2) years of experience.

Starting Salary: \$16.89 - \$21.42/hr negotiable with additional experience. Grade 20

Benefits: Sick and vacation time accrual; paid holidays; life insurance; health insurance through Kentucky Employee Health Plan; participation in Kentucky Public Pensions Authority.
